Our Process

Why Choose Us

We Outsource Your Work

- ✓ You create a big team of professionals for selling your products; still you don't get desired results
- ✓ This marketing team becomes your liability and a fixed cost; we convert this fixed cost into variable cost, so that you pay only when you get business

We Save You Money

- ✓ You keep professional team for marketing at a very high cost
- ✓ You pay them hefty salary with attractive perks and your CTC (Cost to Company) is huge. Besides CTC you also incur lot of other expenses like Travelling and other administrative expenses
- ✓ Even when you have trained people, you never know when that person will be poached by your competitor. Still that person is faithful to your company is a big question mark
- ✓ Your average cost for procuring business orders is around 5-8% and sometimes even more. We freeze it, so that you are assured of your calculations and profitability

We Get You More Customers & Suppliers

- ✓ For their transparency in work
- ✓ For their manufacturing facility
- ✓ For their delivery systems
- ✓ For customer satisfaction
- ✓ For their genuine support in case of any claim or default

This way you get better visibility to new customers and suppliers, where you had no possibility of reaching out

We help in better customer experience

We help buyer in tracking their order for

- ✓ Processing, and
- ✓ Delivery

So buyer will develop more faith and confidence, and seller will get more profitable business

We have a win-win deal for all

- ✓ With our system you as a manufacturer can reduce cost of marketing and get bigger and better business
- ✓ With our system buyer can get better suppliers at better rates who can deliver in time and can give better customer satisfaction
